What our clients say..

Ria Varddhan

CEO, Leap Gymnastics

Sportzy has not only simplified our day-to-day operations but has also elevated the overall experience for our gymnasts and their families

Anurag Khilnani

Co-founder, BBFS

Vashistha & his team played a pivotal role in crafting and implementing web interfaces and CRM systems for our academy

Priya Gopalan

Co-founder, Great Goals

Sportzy has reduced our operational effort by 90%, allowing us to focus more on nurturing our grassroots program rather than managing administrative tasks.

About the founder

Vashistha Aggarwal

IIT Delhi alumnus | Sports tech innovator | Table Tennis enthusiast

An IIT Delhi graduate and lifelong coder, Vashistha has built and currently manages the entire technical infrastructure for major national federations like the **All India Football Federation (AIFF)** and **Hockey India**, along with numerous sports academies across the country.

With over two decades of developing transformative tech solutions, Vashistha combines deep sports industry expertise with technical innovation. When he's not building the future of sports technology, he enjoys long drives and quality time with his family in the mountains.
